Jakarta Practicalities A-Z
for the 2012 HDCA Summer School hosted by OPHI
23 August to 4 September 2012 ~ Jakarta, Indonesia

SUMMER SCHOOL HOST: Institute for Economic and Social Research (LPEM FEUI) at the
Universitas Indonesia, Kampus Salemba

This document will help you prepare for your participation in the summer school from a practical perspective – e.g. airport transportation, where to get cash, whether you need an electrical adapter for your laptop, etc. Topics are organised alphabetically.

**Airport / Arrival**

It is recommended that international participants arrive at either **Soekarno-Hatta International Airport** or **Halim Perdana Kusuma Airport**.

**Airport Transportation to Accommodation**

See “Transportation – airport”

**Classroom for Summer School**

The classroom is the BRI Room of the 3rd Floor of the Magister Management (MM) Building, Faculty of Economics, University of Indonesia (Jl. Salemba Raya No. 4, Jakarta 10430).

**Dress & Weather**

The course aims to provide a casual, student-like atmosphere so comfortable attire will be the norm. Comfortable walking shoes are also recommended for ease in moving around the city. Jakarta in August-September has an average temperature range of 24-35°C (76-95°F) plus humidity and will be in its dry season.

**Electricity**

From [http://www.travel-images.com/electric-plugs.html](http://www.travel-images.com/electric-plugs.html), electricity voltage and frequency in Indonesia is 220V, 50 Hz. Plugs that work will look like the following illustrations. **Please be sure to bring the appropriate adapter to ensure you can use your laptop in the course.**

- Type C: 2 parallel prongs - "French" type
- Type E: 2 parallel prongs with a female earth connector
- Type F: "Schuko" type with two earth connectors on the sides

**EMERGENCIES**

The general phone number for emergencies in Indonesia is 110 for police, 118/119 or medical, and 113 for fire.

**Healthcare Facilities**

From Salemba Campus, there are two options:

- Student Health Center--Pusat Kesehatan Mahasiswa (starting from Aug 27, 10 minute walk from the classroom; or
- RSCM hospital (20 minute walk from the classroom)
Hotel/Accommodation
OPHI has arranged modest accommodation at the Atlantic Hotel (Jalan Salemba Raya No 26, Jakarta 10430, Indonesia) 600 metres from the University of Indonesia Salemba Campus and approximately 20 minute walk from the Summer School classroom (see ‘Summer School Classroom’ for exact location). Rooms are ensuite and equipped with air conditioning. Wifi is available in the hotel lobby. The cost is 342,400 IDR (approx. $40 USD) per night for single occupancy or 171,200 IDR (approx $20 USD) per night if you would like to share with a fellow participant of the same gender. This rate includes breakfast. This is where the OPHI team will be staying. We would like to encourage you to join us at this hotel. If you would like to stay in the same hotel, please send an email to Tery van Taack (tery.vantaack@qeh.ox.ac.uk) with the following information:

- check-in date
- check-out date
- single or double occupancy
- if double occupancy, and you would like to stay with a fellow participant, please indicate your gender

Payment for accommodation is to be made in cash (in IDR) directly to the hotel upon arrival/check-out.

Transportation – Airport
Transportation from and to the airport is to be arranged by each participant. It is recommended each participant pre-arrange pick-up at the airport with Blue Bird taxi group - http://www.bluebirdgroup.com/reservations.php. Cab fare should cost about 100,000 IDR plus approximately 12,000 IDR for highway tolls and 4,000 IDR for airport tax (approximately $10-15 USD). It will take 30-45 (or more) depending on traffic to reach the city centre.

Transportation – Hotel to Classroom
Atlantic Hotel to the classroom, BRI Room of the Magister Management (MM) Building, is an approximately 20 minute walk from Atlantic Hotel. Alternative transportation options include:

- Mikrolet (alight at UI Salemba’s shelter - fixed rate of IDR 2,000)
- Motorcycle taxi (+/- IDR 5,000, it can go inside the campus and reach the MM Building)
- Bajaj (+/- IDR 10,000, it can go inside the campus and reach the MM Building)
- Taxi (it can reach the MM Building but due to proximity driver may refuse to use meter. In this case, paying IDR 20,000 is fair)
